EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

Cancel claims 15-23 and 29-33.

In claim 13, line 1, delete "7" and insert therefore --1--.

The claims are being canceled as being drawn to a non elected invention and species which were held as withdrawn without traverse, there being no further traversal up to this point the claims are hereby held as withdrawn without traverse.

Claim 13 was dependent from claim 7 which is canceled and the subject matter was made part of claim 1, therefore it is believed that such was intended to be dependent from claim 1 and has been amended to correct this obvious oversight.

It should be noted that the subject matter of claims 9, 25, 26, and 28 has been considered and the election requirement on these species which are considered to fall within the scope of allowed claim 1 has been dropped and the claims are allowed.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to James F. Hook whose telephone number is (571) 272-4903. The examiner can normally be reached on Monday to Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kevin Shaver can be reached on (571) 272-4720. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
